

SEGUNDO DEL GIORGIO

Technical Programming Student | Digital Content & Social Media Sales

segudg@gmail.com | Benito Juárez, Buenos Aires, Argentina | 17 years old

PROFILE

Technical high school senior specializing in Programming, with practical experience in web development, content creation, digital marketing and social media sales. I combine technical skills with communication, leadership and a strong learning mindset. One of the things I enjoy most is learning something new from people, projects and real experiences.

EXPERIENCE

Del Giorgio Maquinarias (DGM) | Digital Content, Ads & Social Media Sales

Family business | Benito Juárez | January 2024 - Present

- Managed social media content end-to-end: profile bio optimization, video planning, recording, editing and posting.
- Created and managed Facebook Ads and Instagram Ads campaigns for farm machinery and equipment.
- Answered inquiries, followed up with prospects and supported sales through Instagram, Facebook and Agroads.
- Supported the digital sales process from content publication to direct communication with potential customers.

International Entrepreneur | Digital Content Creator

Remote short-term collaboration February 2024 – July 2024

- Produced end-to-end social media content for one entrepreneur abroad, including video scripts, captions/descriptions and video covers.
- Optimized the profile bio, edited short-form videos and adapted each publication to the entrepreneur's brand, audience and communication style.

EDUCATION

Technical Secondary School N°1 “República de México” | Benito Juárez

7th year | Programming track | Estimated average: 8.41/10

Top 5 academic average in cohort; First Escort of the school's second ceremonial flag (Mexico).
